

## How to Get the Most Out of Your Lampco Accounts

Whether you're chatting with your friends at a coffee shop or sitting on your couch watching TV, you can access all of your bank accounts and information with ease. With online banking, paying bills, transferring money, and even reviewing your bank statement can be done without the hassle of squeezing a trip to the bank into your busy schedule.

**Online Bill Pay** – With online bill pay, you can pay one-time or recurring bills with ease in a manner that is more secure than paper bill pay. Online bill pay allows you to schedule payments, set up payment reminders, keep track of payee information, and avoid unnecessary paper clutter.

**Account to Account Transfer** – Account to account transfer allows you to transfer funds to and from your Lampco accounts to accounts you may have at another financial institution—no need to withdraw from one account and drive to deposit to the other. Account to account transfer is a secure and convenient option for handling all of your transfers.

**POPMoney®** – Sending and receiving money from others is easier than ever with POPMoney®. POPMoney® allows you to send payments from your bank account to others by simply using their cell phone number or e-mail

address. POPMoney® is a fast and secure online payment platform that can save you time and energy.

**eStatements** – eStatements are a fast and free alternative to paper bank statements. Whether you need to view your past or present bank statement, eStatements reduce paper trails, simplify recordkeeping, and arrive faster than paper statements, all while saving paper and the environment. eStatements also offers added security by eliminating paper statements in your mailbox for someone to swipe.

**Mobile app** – View your balances and transfer funds with the convenience of Lampco’s mobile banking app. Available on the App Store and Google Play, the Touch Banking® app allows you to view account balances, review account history, receive alerts, and pay bills no matter the time and no matter where you may be.
